

SOCIALLY MEANINGFUL TRANSPARENCY

Peer Discussion

1

What did you find most interesting about the concept of Socially Meaningful Transparency?

2

How do you think this would be helpful at DWP?

3

What challenges regarding 'Uncertainty' do you see at DWP? Are some of these technical? Are some of them organisational?

4

What challenges regarding 'Resourcing' do you see at DWP? Are some of these technical? Are some of them organisational?

5

What did you think about 'collaborative governance'? Do you think this is something the DWP would benefit from?

6

Reflecting on your experiences, are there any openings you can see at the DWP for implementing the ideas discussed?
